Samples dropped in late on the weekend may be processed the following working day.

External Laboratory

Sample Drop off by arrangement only

We have a partnership with our approved subcontracting laboratory in Somerset, allowing you to drop off samples to their site directly. Not all testing can be carried out at this site so please contact us to discuss your requirements before submitting samples at this site.

Taunton, Somerset

Southern Micro Services, Unit 3
Georges Farm, West Buckland,
TA21 9LE

Monday – Friday: 08.00 – 17.00, Saturday - 09.00 - 17.00

Samples dropped in late on the weekend may be processed the following day.

Night driver collection services

We are able to offer a night driver collection service within certain areas of the UK. Within these areas we are able to provide refrigerated overnight vehicle collections. To find out if we can offer this service in your area, please contact our offices on 020 8853 3900.

Any requests for this service must be made by 14:30 on the day of collection. Collection will be made anytime between 18:00 and 02:00. The sample will arrive at the lab by 02:30.

Samples must be left in an easily accessible place, securely packaged and clearly labelled for Latis Scientific.

Nationwide Coverage

One purpose built laboratory

Reception facilities

14 x Sample Drop Off Points

Sample Drop Off Points

Samples left at the following drop off points will be transferred to our Crayford laboratory at approx. 23:30.

Samples for legionella testing should be left at ambient temperature. All other samples should be left in the refrigerator provided.

Overnight bookings from outside of London must be made before 11.30am to ensure we are able to collect from site the same day.

Please ensure same day collections for Central London are booked before 4.30pm.
