Sample Drop-Off Points

We offer an extensive network of drop-off points throughout the UK, where clients can effortlessly leave samples for collection by our drivers. These samples are transported overnight in temperature controlled vans, directly to the laboratory to start analysis.

Samples for Legionella testing should be left at ambient temperature, all other samples should be left in the refrigerator provided.

Our drop off points are open for all Latis clients – please note, samples are left at clients' own risk.
