

Latis Scientific: Sample collection festive opening hours

There will be no bottle requests between 22.12.23-02.01.24 – the last day where bottles can be requested is 21.12.23.

Please also see below for more detailed information regarding the different collections mentioned and the opening of these collections during the festive period.

- **Laboratory** – any samples dropped off directly at our laboratory located in Crayford.
- **Inside London collections (day)** – any collections required to be picked up from site or a location within the M25. These collections are to be booked in by our collections team in advance and samples need to be collected by 12.30pm.
- **Outside London collections / APC** – these are collections from an engineer’s home address for samples that need to be collected outside of the M25 or if using an APC depot.
- **Drop off points / night driver collections** – these are our routine drop off locations as detailed within the logistics brochure.
