Northern micro laboratory

Unit 4, Park Road South Industrial Estate, Blackhill, Consett, DH8 5PY

External laboratory

We have a partnership with our approved subcontracting laboratory in Somerset, allowing you to drop-off samples to their site directly. Please contact us to discuss your requirements before submitting samples at this site.

Taunton, Somerset

Southern Micro Services, Unit 3 Georges Farm, West Buckland, TA21 9LE

Monday – Friday: 08:00 – 17:00

Saturday: 09:00 – 17:00

Latis Scientific will not be liable for any sample deviation related to delays in transport of samples from Southern Micro Services to Latis Scientific. In addition, please also be advised that any samples dropped in after 2pm on a Friday, may not be processed until the following Tuesday. To prevent transportation delays, please call SMS on **01823 662062**, 24h prior to drop off.

Accreditation

Please check the laboratory's accreditation schedule below.

Please be advised that any samples requiring analysis **not listed** in the below schedule of accreditation (except for Legionella) **will not** be UKAS accredited.

Booking a collection

Latis Scientific own vehicle collections:

Overnight bookings from outside of London must be made before 11.30 to ensure we are able to collect from site the same day.

Please ensure same day collections for Central London are booked before 14.30.

Sample drop-off points

We offer an extensive network of drop-off points throughout the UK, where clients can effortlessly leave samples for collection by our drivers. These samples are transported overnight in temperature-controlled vans, directly to the laboratory to start analysis.

Samples for Legionella testing should be left at ambient temperature; all other samples should be left in the refrigerator provided.

Our drop off points are open for all Latis Scientific clients – please note, samples are left at clients' own risk.

We have a standard procedure of 15 minutes wait time at each collection point, to ensure all collections are returned to the laboratory within a timely manner.

APC collections at drop-off points available and can be arranged on request.
